

TIGHT T'S

Make the Right Impression with a Little Compression!

Tight T's promotions are only limited by the imagination!

• Create mini models of your products: bottles, boxes, cans, etc.

• Besides the print/logo on the T-shirt, you can use the outside label to deliver the same or totally different message.

• Insert CDs, coupons, brochures, contest forms, etc., to generate non traditional revenue

• Choose from a variety of shapes and sizes, or be creative and design your own custom shape

• Tight T's help build brand recognition and provide corporate markets with new, exciting ways to meet goals and objectives

Why Use Tight T's For Your Promotions?

A new and innovative product that will make your promotions a **HUGE** success. With the compressed process, we can shrink wrap an XL T-shirt to the size of your business card, a 2 X 3 inch brick! Choose from over 100 shapes to compress your shirts into. A great way to be creative and make a **BIG** impression!
